

Neil Tuller, Executive Administrator

Mimi Albert, Director

Greetings A.T. Families,

We are sad to share that Adventure Time will not be offering care after the end of this school year. Our last day at Del Rey Elementary School will be May 27, 2022. The parent club and school district have decided to reinstate the Dolphin Club as the school's before and after care program. The Dolphin Club will once again continue to be a fundraiser for the school.

Adventure Time started offering care at Del Rey in the fall of 2020. During the height of COVID, we learned the ins and outs of distance learning, the ever changing protocols, and persevered through the waves of infection. We have gone through a lot of ups and downs throughout this pandemic and we will be forever be grateful for all the families that showed us patience and support during these challenging times.

We will miss you all especially the children that have shown so much growth and resilience these past couple years.

For those that are signed up for our summer program, we apologize for not being able to provide our services. We will be reimbursing you any funds you have paid. You should receive these funds within the next 3 weeks. We will be offering our summer program at our Montclair site in Oakland and at our Independent site in Castro Valley. We would love for you to join us if either of those locations work for you.

Thank you. Best wishes on your future adventures.

Mimi Albert
