Greeting Adventure Time families,

It saddens me greatly to have to inform you that Adventure Time, after 38 years in the San Lorenzo Unified School District, will no longer be providing childcare services to San Lorenzo schools.

San Lorenzo Unified has decided to go another direction with their childcare program. Through a recent grant, Extended Learning Opportunities, SLZUSD will be partnering with the Boys and Girls Club.

It has been an honor and a wonderful experience working with your children. Over the past 38 years we have seen so many of the San Lorenzo children grow up and become compassionate, caring citizens.

Our staff, many of whom live in the community, are heartbroken as well. Many of them have worked with us for 5, 10, 15 even 20+ years. I, myself started at Bay Elementary over 35 years ago. We have all cherished our time and will deeply miss each and every one of these children.

June 8, 2022, will be our last day offering care at all the our sites in San Lorenzo school district. This includes Bay, Del Rey, Grant and Corvallis.

On a lighter note, staff will be planning some special activities and events to wish the children and families success and will create one more lasting memory for all to enjoy. Please keep an eye out at the sites for information.

Adventure Time will be offering a fun filled summer program at our Independent site in Castro Valley. You will have the option to sign up for one or all weeks available, with a variety of timeslots to choose from. Please visit our website for more information and to sign up. We hope to see you there! www.adventure-time.com

Thank you for the many years of support.

Warmest Wishes,
Mimi Albert
